

GLOBAL IMPACT

John Denton is one of the world's foremost authorities on Loveless knives. He has been an avid collector for decades and a purveyor of Loveless knives for years following in the footsteps

UNSURPASSED

Among
handmade patterns,
no one topped the
dropped hunter
by **BOB LOVELESS**

The dropped hunter by Bob Loveless (inset) may be the most emulated knife design of all time. Loveless made this stag drop point as a gift to Steve Johnson when Johnson became Bob's first full-time helper in 1971. "It is one of the best Loveless knives ever made," John Denton noted. (knife image courtesy of John Denton; image of Loveless by Weyer International)
